The town of Gordes is perched on top of a cliff and its dramatic setting has earned the classification as one of 100 most beautiful French villages. The commune of Gordes extends down into the valley and around the village are many hamlets. Les Martins is an ancient Hamlet dating back to the 1600s, when it was founded for agricultural purpose.

Located in the heart of the “golden triangle” between Gordes, Menerbes and Lacoste you are in the best spot to start your journey and explore the famous Provence, with its infinite rolling hills, cypress trees, lavender fields, wineries, medieval towns and cultural centers like Aix, Avignon, Orange, Nimes, and Arles. Whether you come during theater and music festival season in summer or in the low seasons there is always an endless array of cultural events, markets, outdoor and sports activities to everyone’s interests.

We offer you all the in-room comfort you would expect for an exquisite stay. Get your tan on the sun terrace around our pool, take a nap under an olive tree or sink into a comfy lounge furniture in the shaded courtyards and let your thoughts drift away. Get your game on our petanque court with (new) friends over an aperitif and witness the golden light at sunset. At nights we may invite you to join us around a convivial dinner table for a home cooked meal to savor those world known Provençal flavors, watch a movie in our outdoor lounge or gather around the open fire place under the starry sky.

However you will craft your experience, we will be there to enhance it and make your stay unforgettable.

We opened up the original windows, that were kept small to protect from the weather, to provide you with direct views into both outdoor courtyards. Now you can enjoy the view onto the fountain at night directly from your salon. Facing east and west this unit is protected from direct sunlight and remains cool during the hot summer periods. The bedroom upstairs features a queen size bed, from which you will look directly into the crown of our beautiful sycamore tree.
